THEME PAGE

Throughout history, man has used the torch to find his way in the darkness. Through the years, the torch has become a symbol of light and of knowledge. The hand that held the torch led the search for truth and wisdom. Therefore, the theme for your 1964 annual is based upon the title of the annual itself — the many torches known to mankind.

The Torch that you now hold in your hand symbolizes our search for the memories of the school year 1963-1964. In this book, you will find the laughter and gaiety, the sorrow and tears, the good and bad that was Pioneer High School this year.

We sincerely hope that this Torch will be a bright beacon of remembrance in the long years to come and that it will light your way to many happy memories.

DEDICATION

The dedication of the annual is a special event anticipated by every Titan each year, but it is more than an event to the Torch Staff. The dedication is our way of saying a special thank you for unselfish devotion and service to the students of Pioneer High School.

It is, therefore, with great pleasure and pride that we dedicate the 1964 Torch to a man worthy of such an honor.

He was born in Alpine, Texas, and began his education there. He obtained his Bachelor of Arts degree in Spanish and Social Studies at Sull Ross State Teacher's College.

He has been teaching for fourteen years. He began his career in Alpine, Texas, and since then has taught in El Paso, Texas; Merced, California; and Whittier, California.

He now resides in Pico Rivera with his wife, Mary, and his five children, ranging in age from four to eleven years.

As a member of the Language Department, he has given many Titans their fundamental knowledge of Spanish.

Through his efforts he has brought a feeling of international friendship and understanding to Pioneer High School. As a result of his work with the International Club, three foreign exchange students have come to the Pioneer campus. Rummage sales, pancake breakfasts, and Harlem Clowns basketball games are just a few activities which he has brought to the students of Pioneer.

It is, therefore, with our great appreciation and our deepest respect, that we proudly dedicate the 1964 Torch to Mr. Albert Ramos.

We Titans owe a debt of gratitude to the Administrators of the Whittier Union High School District. These men have spent many long and tedious hours keeping our High Schools running smoothly. It is their duty to make the important decisions and to set the high standards of education that help us, as students, to keep pace with our needs. Though we seldom come in contact with these men, we owe them our thanks for their sincere efforts to make our schools the very best possible.

BOARD OF TRUSTEES

Mr. M. G. Garman

Mrs. Virginia Macy

Mr. C. W. Marshall

Mr. E. B. Romberg

The members of the Board of Trustees give freely of their time to make our education a worthwhile one. It is their duty to set the policies of learning that we follow. They are elected by the tax-payers and do not receive a salary for their work. Their only compensation is the satisfaction of knowing they have had a part in educating today's youth. We are very grateful for their dedicated and capable help.

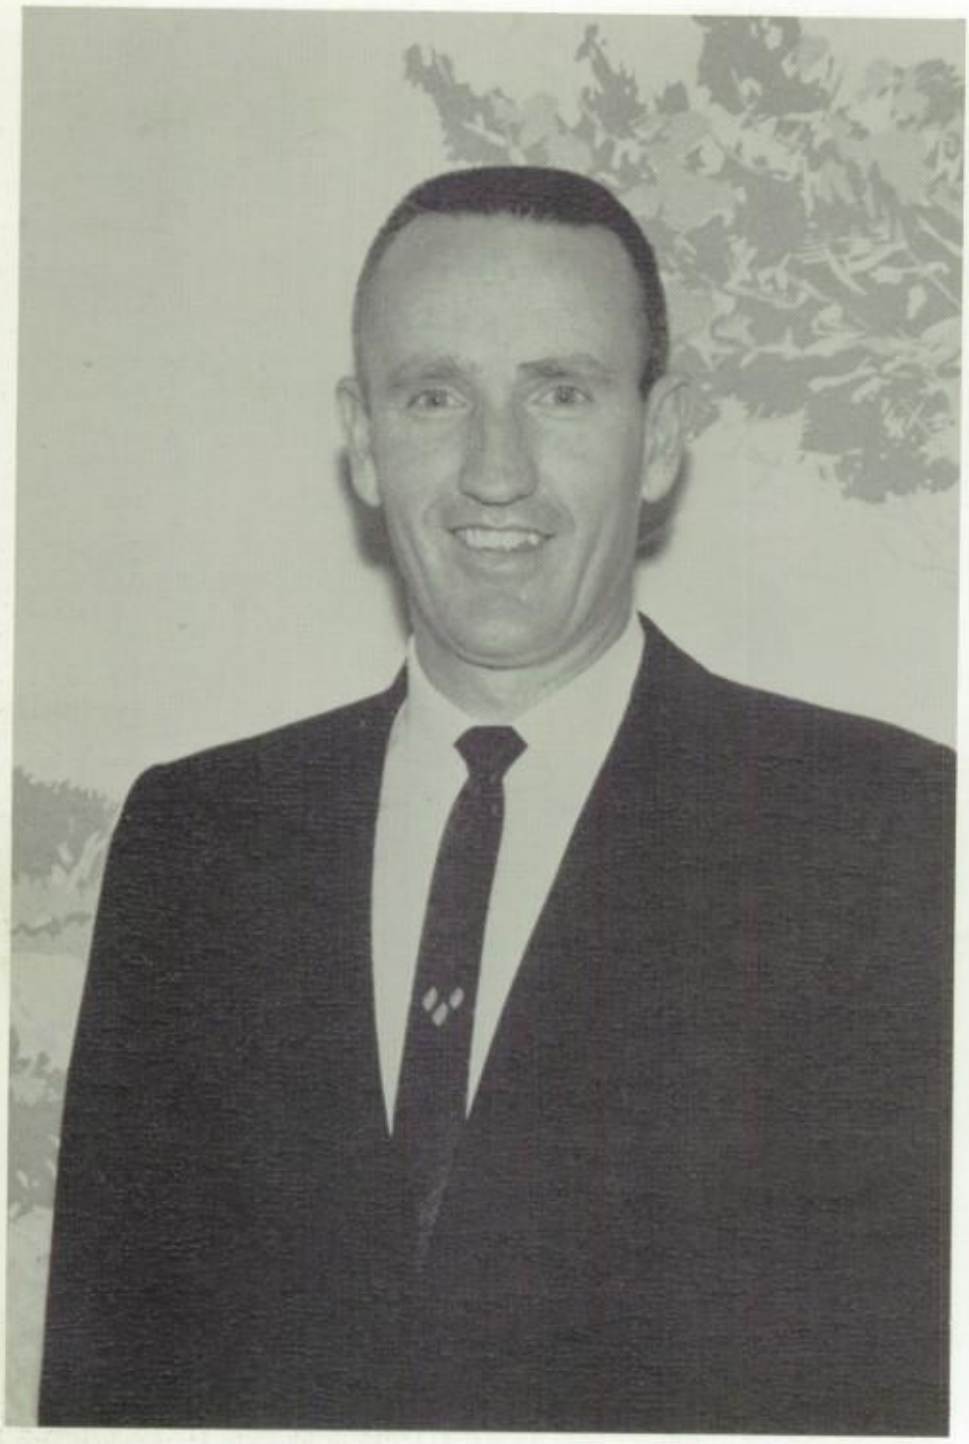
Standing: C. W. Marshal, M. G. Garman. Seated: Virginia Macy, H. C. Starr, E. B. Romberg.

PRINCIPAL



Mr. Jines

Ralph Waldo Emerson once said, "Nothing great was ever achieved without enthusiasm." To exemplify this, we need only to examine the following pages. Here is vivid, dramatic evidence of genuine enthusiasm — enthusiasm demonstrated by the outstanding achievements of Pioneer students during the school year 1963-64. The Associated Student Body of Pioneer High School continues in its fifth year to reflect the high standards of achievement and citizenship established at its beginning. The enthusiasm of the community, parents, faculty and students is effectively shown in the many fine contributions made by these groups. As the 1963-64 year terminates, we are looking forward with renewed enthusiasm to the years ahead as the Pioneer motto so aptly states, "Hats off to the past; coats off to the future."

Mrs. Sorensen

Mr. Haines, Mr. Schumann and Mrs. Sorensen have done much toward making Pioneer what it is today! These three dedicated individuals have spent many long hours in their attempts to prepare us, as future adults, for the complicated world of tomorrow. Our sincere gratitude should go to our assistant principals for the many contributions they have made to our education.

STUDENT GOVERNMENT

I have had the extreme privilege of working with and presiding over the 1963-1964 Cabinet. The Cabinet has done a tremendous job of representing the Titan student body.

After having attended the Redlands Conference of high schools in the Fall, the Cabinet members and I found that Pioneer High School stands high above others. This stature is due to the excellent cooperation among the student government, the administration, and the fine student body.

I challenge those of you in the ensuing years to carry on the fine customs and traditions that have been displayed on our campus this past year.

As loyal Titans, your school deserves your support. A successful school is nothing else than the combined successes of its students.

Michael Thirkettle
Associated Student Body President

A.S.B. PRESIDENT

A S B OFFICERS

VICE PRESIDENT: Richard Mortensen

The office of A.S.B. Vice President is a very demanding one. The Vice President must preside over the Senate, organize the carnival, be cabinet parliamentarian, and lead the flag salute at all assemblies. This year we are fortunate enough to have a person such as Richard who can meet the needs of this very important office.

SECRETARY: Dottie Battersby

Dottie is the girl with the pencil and pad who sits quietly at Cabinet Meetings. She takes minutes which will be preserved by those who keep the history of Pioneer High School. Dottie does an efficient job taking these minutes and sending correspondence.

FINANCE CHAIRMAN: Dick Thomas

A fine job of checking requisitions, conducting ticket sales at all home athletic events, keeping the budget straight and presiding at Finance Committee meetings is done by Dick Thomas.

PEP CHAIRMAN: Barbara Harrison

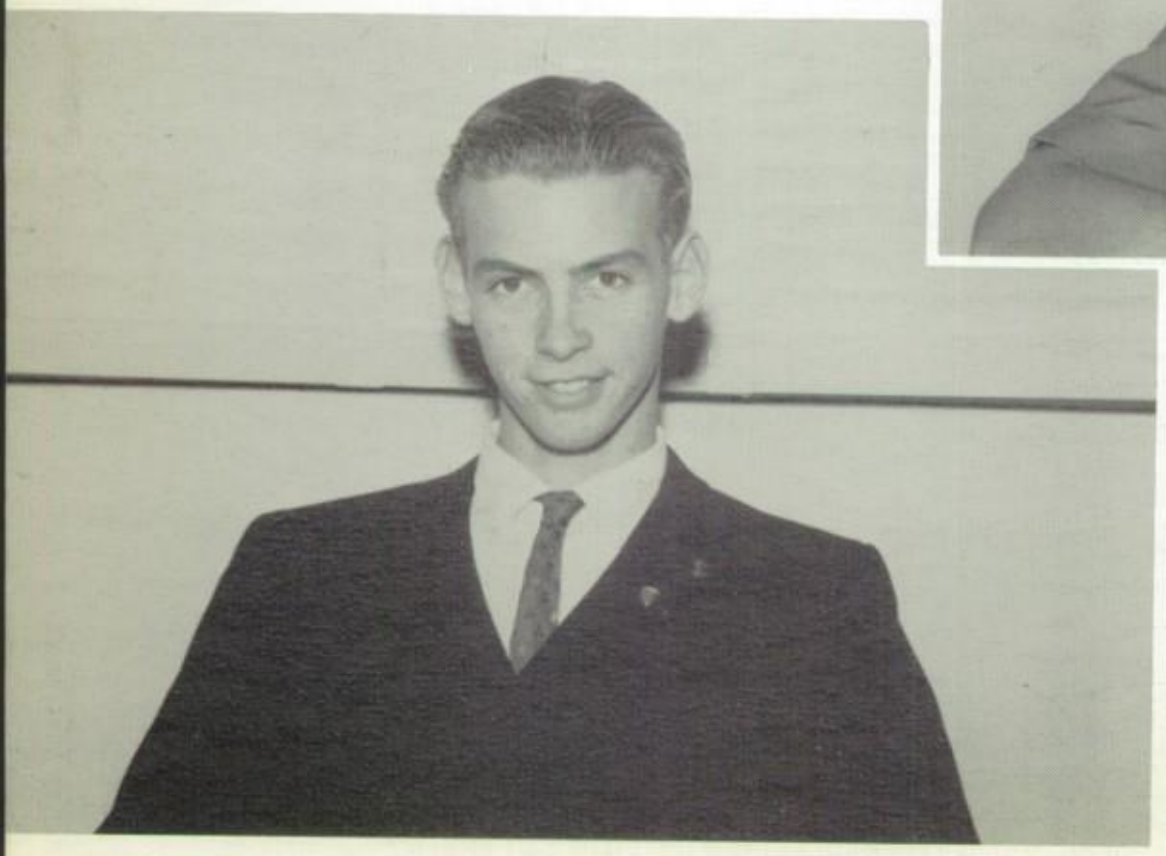
Pep, enthusiasm, and loads of school spirit are just a few of the traits of this year's Pep Chairman, Barbara Harrison. Besides leading the Pep Club in many new activities, she co-ordinates the weekly Pep rallies and organizes a very successful peppy year.

HEAD SONG LEADER: Judy O'Shann

Singing the Titans on to victory is Judy O'Shann. Besides adding a ray of Titan spirit at all games, she faithfully attends Cabinet meetings in behalf of the songleaders.

ACTIVITIES CHAIRMAN: Nancy Schiller

This year's student body activities are planned by Nancy Schiller. Every dance and every student activity runs smoothly due to her hard work. This is a tribute to Nancy. All year she is busy with numerous duties, all of which are handled expertly.



PUBLIC RELATIONS CHAIRMAN: Bruce Long

A well-informed community is the result of much hard work on the part of Bruce Long, A.S.B. Public Relations Chairman. Newspapers in the surrounding area are kept constantly in touch with activities at Pioneer. Many thanks for a job well done.

HEAD YELL LEADER: Kathy Chase

Kathy is one of six dedicated Titans who yells until she is about to collapse, and still keeps yelling. This bouncing bundle of pep has introduced many new yells and chants throughout the year and represented the yell leaders on A.S.B. Cabinet.

ASSEMBLIES CHAIRMAN: Peggy Turner

Enjoyable assemblies are always in store for Pi Hi students. Much hard work in organizing programs is put into Peggy's job. These assemblies bring memorable and jolly hours to Titans.

SPEAKER OF THE HOUSE: Robert Navarro

Leading all House of Representatives meetings this year is Speaker of the House Bob Navarro. With representatives from each class passing bills and the laws, the House is one of the more active groups on campus.

PUBLICITY CHAIRMAN: Ernie Zehms

Posters, paints, signs and slogans all over campus wherever you go. Titans know coming events, all that is necessary is to look above or beside you. Thanks to Ernie for a wonderful, colorful year.

GIRLS' LEAGUE

President: Pat Aldapa

This year the Girls' League, of which every girl is a member, sponsored some of the best activities of the year.

We started off the year with "Holiday Hootenanny," our mother-daughter dessert and ended with Cotton Day. Pioneer's Girls' League was also proud to present the annual Girls' League formal dance, which was again this year a big success.

Expert planning and hard work all year were contributed by our advisors, Mrs. McKamy and Mrs. Chan. Officers who also gave much time and effort were: President, Pat Aldapa; 1st Vice President, June Turner; 2nd Vice President, Ann Reynolds; Secretary, Diane Crays; Publicity Chairman, Estel Morales; Treasurer, Mary Mays; Song Leaders, Reese Flores and Arlene Stilwell.

1st Vice President: June Turner

Secretary: Diane Crays

2nd Vice President: Ann Reynolds

Publicity Chairman: Estela Moralles

BOYS' LEAGUE

President: Steve Powell

Boys' League is an extremely worthwhile organization dedicated to the task of promoting the good character and citizenship of the boys at Pioneer High.

The Boys' League is now in its building stages and in time will be a leading organization on campus. Since every boy at Pioneer is a member of Boys' League, he can take pride in its strides forward.

Working hard on the Boys' League this year are: President, Steve Powell; Vice President, Alan Hilberg; Recorder, Tim Motherhead; Activities Chairman, Fred Nankervis; Publicity Chairman, Roy Wagner; Treasurer, Bruce Gilbert.

TITAN TRIBUNE

During the year the Titan Tribune has tried to better itself in many ways. In doing this we set for ourselves various goals.

One of the goals we try to fulfill is to bring the news of Pioneer to all Titans as accurately, fairly, completely, and as fast as possible.

We have tried to establish in the minds of all, the important function of a high school newspaper.

We have also tried to bring out the bad as well as the good features of Pioneer so that these situations can be corrected. This is truly one of the main purposes a newspaper serves in our democratic society today, and it is the sincere goal of the Tribune Staff to serve the students of Pioneer High School.

SENIOR CLASS GIFT

The Senior class gift for 1964 may be seen at the south end of the quad. It is an outdoor pep stage built of concrete blocks. Upon this stage the Senior class has placed a plaque.

The class of 1964 has chosen to dedicate its senior gift to a man who gave so much to his country, and left a great legacy to each of us.

The plaque which is to be placed upon the stage is dedicated to the memory of:

John F. Kennedy
1917-1963

OFFICERS OF THE CLASS OF '64

President, Gary Stone; Vice President, George Magan; Secretary, Pat O'Brien; Social Chairman, Jonnie Nazaroff; Publicity Chairman, Gail Skoien.

Gary Stone

The Senior Class of '64 has demonstrated tremendous class spirit this year. It has been a pleasure to work with such a class as it established new traditions and set new precedents throughout this year.

It goes without saying that we Seniors leave these hardly-hallowed walls completely besieged by mixed emotions. Remembering that day exactly one year ago when our rings were turned around, a knowing smile appears. We know now that a Senior is not made in the mere turning of a ring.

In our disappearance we leave our lockers, books, and desks behind. We will take with us all that cannot be bolted down — pride, satisfaction, hope, and many pleasant memories.

BERHANU WOLDEYOHANNES

EXCHANGE STUDENT FROM ETHIOPIA

Dear Friends:

I am greatly indebted for all the favors you have done for me. It seems to me impossible to forget them and I can't really express my gratefulness in words.

For the first time in my life, I've come to see people with two strong rewarding points in common. These are the friendliness and kindness found in the American people. Through my eyes as a foreigner, I noticed these characteristics, and you really have something to be proud of. I noticed the open mindedness of my American friends and their eagerness to help me, and this gives me the feeling that I have been their friend for many years.

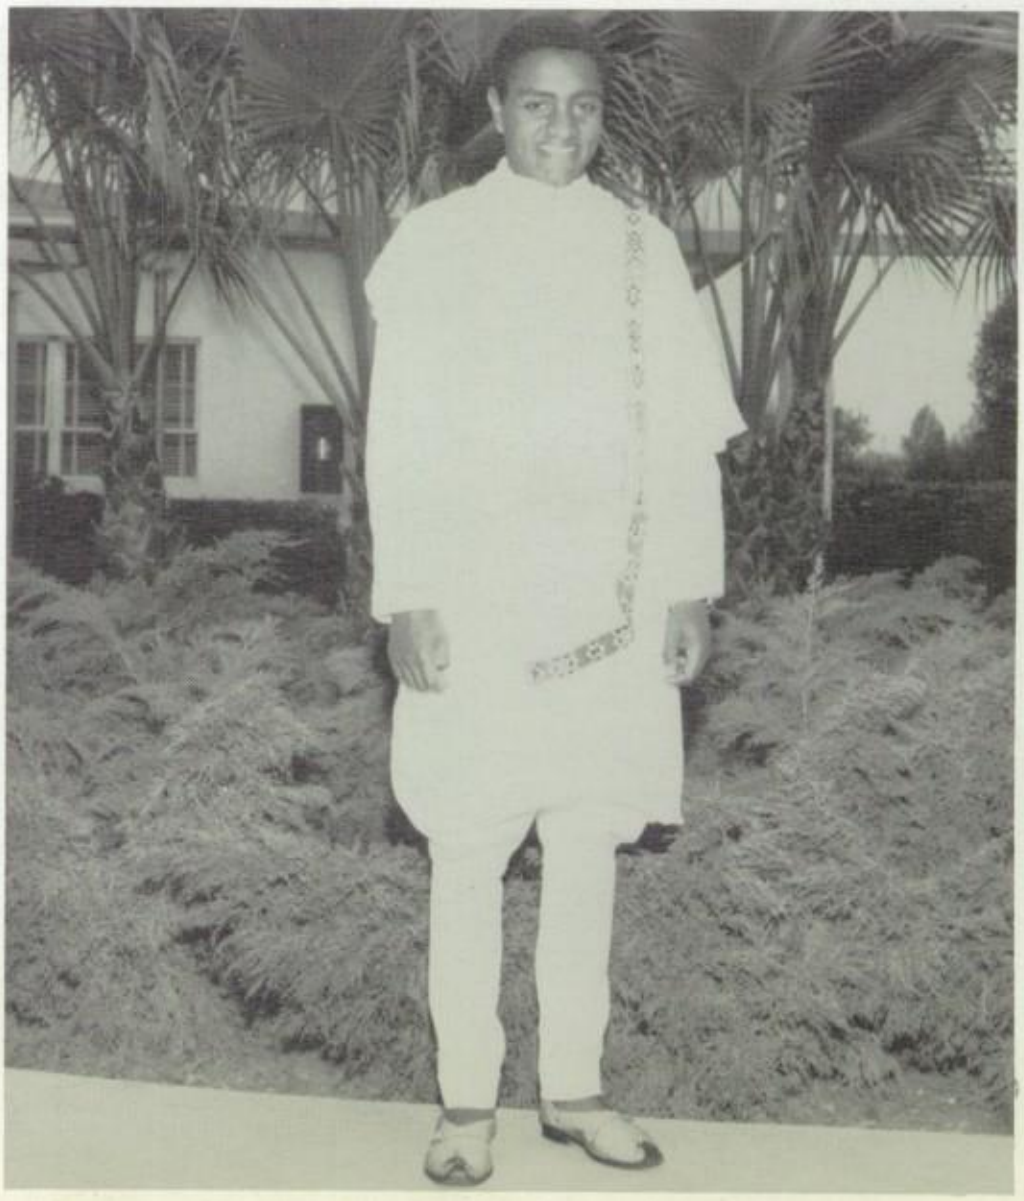
Naturally I was homesick for a while, but I don't particularly feel that way now. I will be going home soon. I'll miss my American family and friends a great deal when I leave. My chance of meeting them again is improbable, but I will never forget them.

Last, but not least, I greatly appreciate the measure most Americans are taking to understand and to be understood by foreign peoples of different backgrounds, religions, and races.

I am hopeful that you, the future leaders of your country, will contribute your efforts towards solving the problems with which you will be faced.

Your Ethiopian friend,

Berhanu Woldeyohannes



Berhanu in his native dress.

BARBARA HARRISON

AFS EXCHANGE STUDENT TO TURKEY

My summer spent in Turkey as Pioneer's representative in the American Field Service enriched my life more than anything else.

The opportunity to share my American ways with those of the Turks was most gratifying. Not only was I able to see the historical landmarks of our time, but I really began to appreciate our country and what it has to offer us as citizens of the United States.

My experience is only one of the many shared by over 2500 American and foreign students combined. Since the foundation of the American Field Service, it has extended its influence to all parts of the world, and, with your support in continued success, I'm sure that it will fulfill its goal of world peace.

GIRLS' STATE—

Pat Aldapa

California Girls' State is part of a great national youth-in-government program which is sponsored annually by the American Legion Auxiliary.

Girls' State 1963 was held on the campus of the University of California at Davis. The 544 girls met to "learn by doing" their government.

City, county, and state governments were studied and then put into practice. State legislature was also put into action.

The girl who goes to Girls' State is very fortunate, because she is able to learn the complex structure and workings of our great government.

D.A.R. AWARD—

Judy Minger and Pat Lascano

The D.A.R. Award is given by the local chapter of the Daughters of the American Revolution to those girls who fulfill the following qualifications: dependability, service, cooperation, leadership, and patriotism. All the girls at Pioneer are given an opportunity to vote for the girls they feel are qualified. They are chosen, in a sense, as the "Good Citizens" of Pioneer.

BOYS' STATE—

Gary Stone

Boys' State is an annual study for about 800 boys from all over California, held in Sacramento each summer. It is a "learn by doing" introduction by the American Legion to the workings of California State, county and city government. There are working courts, traffic cops, district attorneys, and jurors at Boys' State. California Boys' State is a miniature model of California government — but it is completely out of scale with its successful fulfillment of a worthwhile purpose, to make tomorrow aware.

It is an honor to participate as a representative of Pioneer High School in such a vital and effective program.

"HERE COMES YESTERDAY"

. . . was the theme of the 1963 Homecoming. This year a new way of selecting the Homecoming Queen and Princesses was inaugurated. Twelve senior girls were selected by the Senior Council and varsity football players, and from these twelve the entire student body voted for the six princesses.

The princesses were presented at the Homecoming Assembly. Also at the assembly there was a special performance by the Pep Club. The Titan Band and Drill Team and former Yell and Song leaders were on hand.

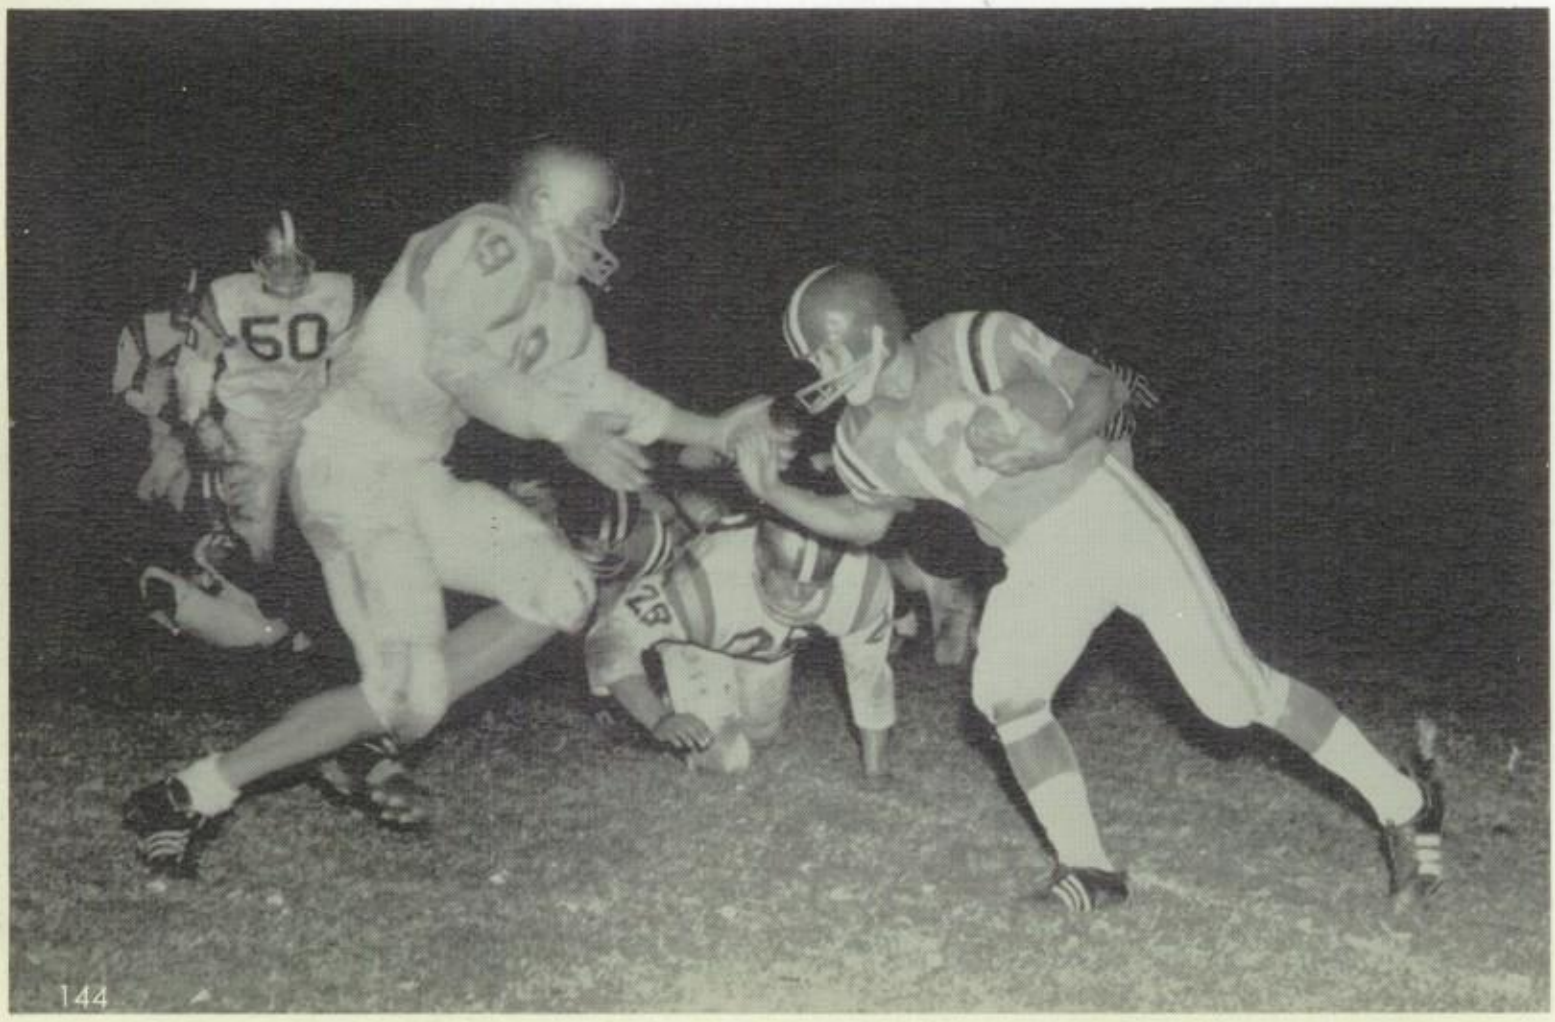
The Homecoming game was held at Cal High Stadium where the Titan Varsity tied with the La Serna Lancers 13 to 13.

During halftime Linda Perry was crowned 1963 Pioneer Homecoming Queen.

The Queen and her court, Kathy Chase, Pat O'Brien, Evie Berning, Pat Lascano and Glenda McKee, reigned at the dance later that night in the Titan Gym.

Linda Perry was crowned 1963-1964 Pioneer Homecoming Queen.

The Queen and her Court reigned at the dance. Seen dancing are: Glenda McKee and Steve Newman, Pat O'Brien and Bill Matthews, Evie Berning and Terry Kaller, Linda Perry and Ray Anderson, Pat Lascano and Richard Mortensen, Kathy Chase and Butch Donnell.



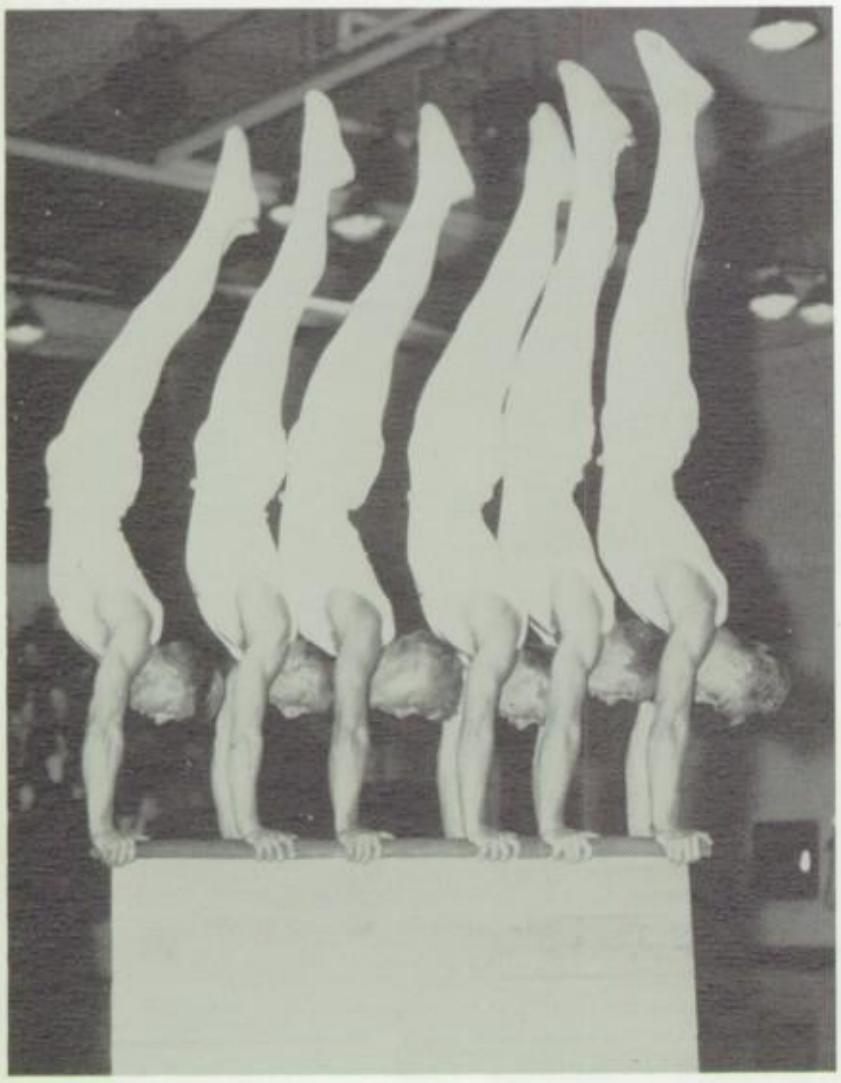
Titan varsity tied the La Serna Lancers 13 to 13.

THE DANISH GYMNASTS

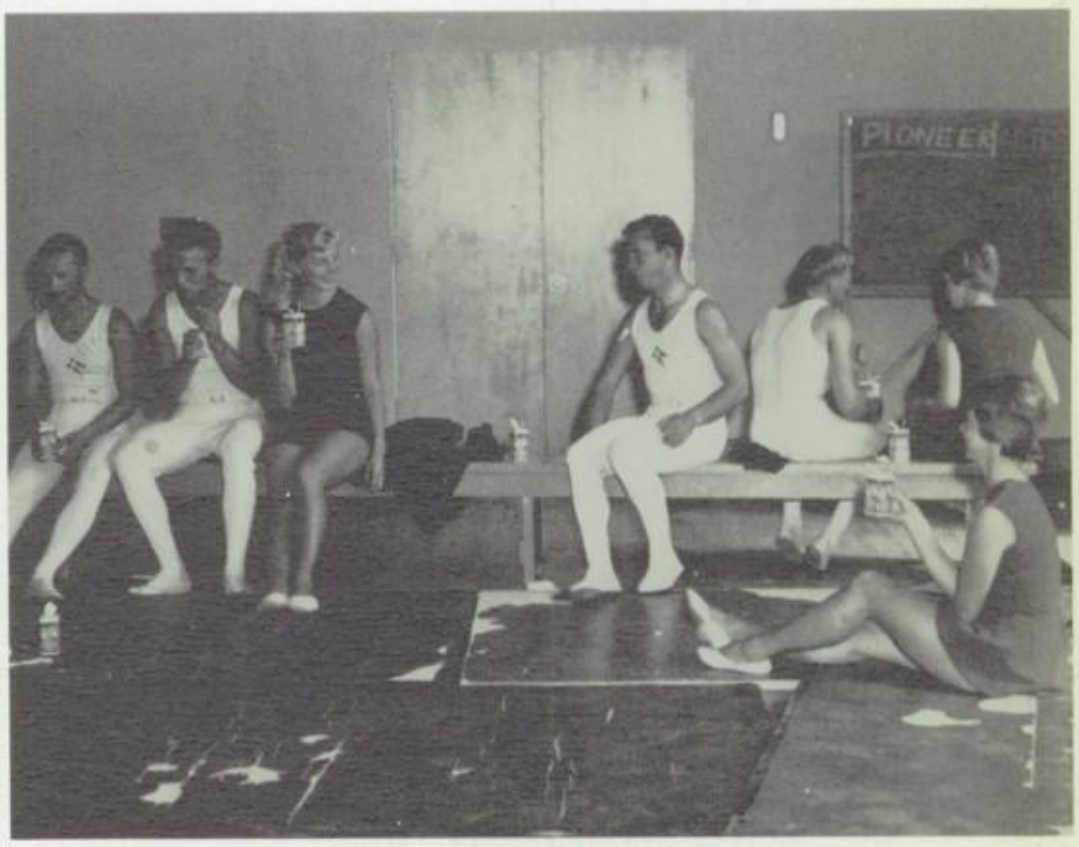
On February 28, the Titans had the privilege of viewing a Danish Gymnastics team, under the direction of Erik Flensted Jensen.

The program included a variety of modern gymnastics, vaulting, and tumbling.

The Gymnasts brought expressions of envy from all those who were able to watch them perform.



Split-second timing leads to success in this stunt.



The Danes pause to enjoy a little American refreshment.

The gymnasts show their skill . . .

and balance.

PRELUDE

They had refreshments.

. . . and a good time was had by all.

THE JUNIOR SENIOR PROM—

On May 9, the Junior Class sponsored the Junior-Senior Prom, "The Loveliest Night of the Year."

For the first time, Seiniors were given complimentary tickets which made it possible for them

—"THE LOVELIEST NIGHT OF THE YEAR"

to be admitted to the dance at no cost.

The Prom was a big success and one of the biggest social events of the year.

FROSH-SOPH DANCE

This year the Freshman and Sophomore Councils chose to sponsor an informal dance.

The Frosh-Soph dance, held in May, was one of the memorable moments of 1964 for those Titans who attended.

On March 6th and 7th Pioneer students were spectators on a trip "Beyond the Blue Horizon." For the first time, a Saturday afternoon matinee was held.

The show began as a political rally and ended on the Judgement Day of a Hollywood agent!

The excellent performance of the whole cast made the talent show a big success. All participants enjoyed and profited from the experience.

Mr. Orr and those who helped behind the scenes deserve a special word of thanks for their help in making the show the delightful occasion it was.

Verdugo stopped after a good gain.

In reviewing our 1963 season, there is no question that the Titan Varsity played its toughest schedule to date. There were no "breathers" and each game was a tough, hard fought contest.

Outstanding leadership from our Seniors and exceptionally fine physical conditioning contributed greatly to our ability to survive through our tough schedule to the extent that we did.

As the season progressed, it was apparent that a fierce pride was developing in each player and as a result, the team improved each week.

Pioneer moves for the score.

The 1963 Bee football team will always be remembered as one of the most determined teams in Pioneer's history. Aggressiveness and the desire to win were the outstanding qualities of the team.

The highlight of the season was a sensational win over the highly regarded Sierra team. Superb defensive play held the high scoring Sierra team to zero points, resulting in a 7-0 Pioneer win.

Titan pulled down.

This year's Cee football squad, in spite of key injuries throughout the season, went on to become champions of the Suburban league for the third time in four years.

The team posted the best record in Pioneer history with one tie marring an otherwise perfect season.

Courage and desire enabled this team to come from behind and win time and time again. It is a team that all Titans can admire. The boys earned the respect of all their opponents.

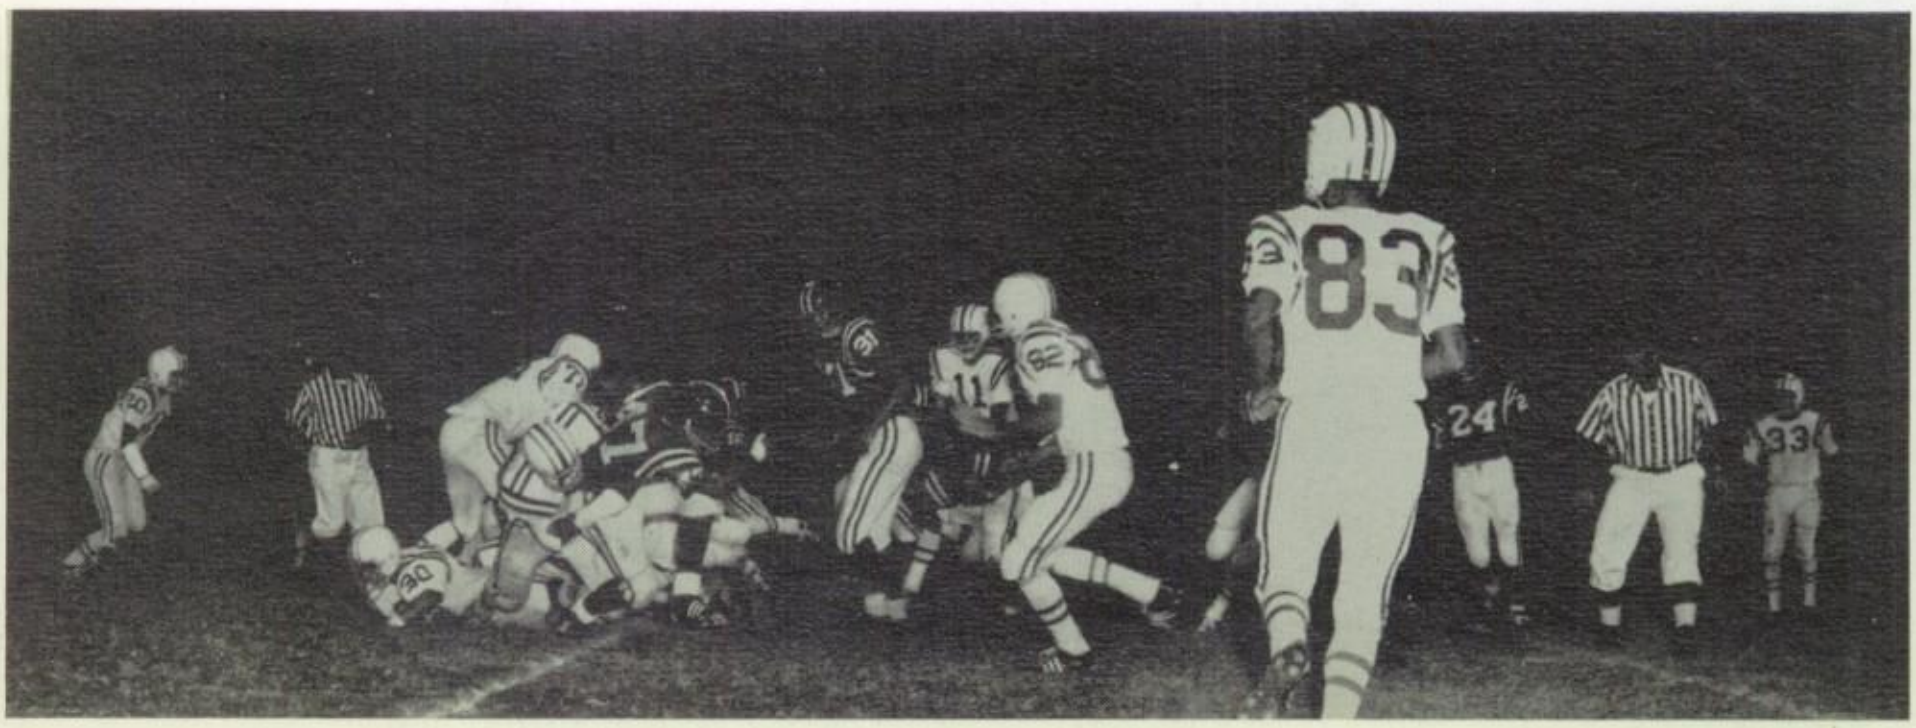
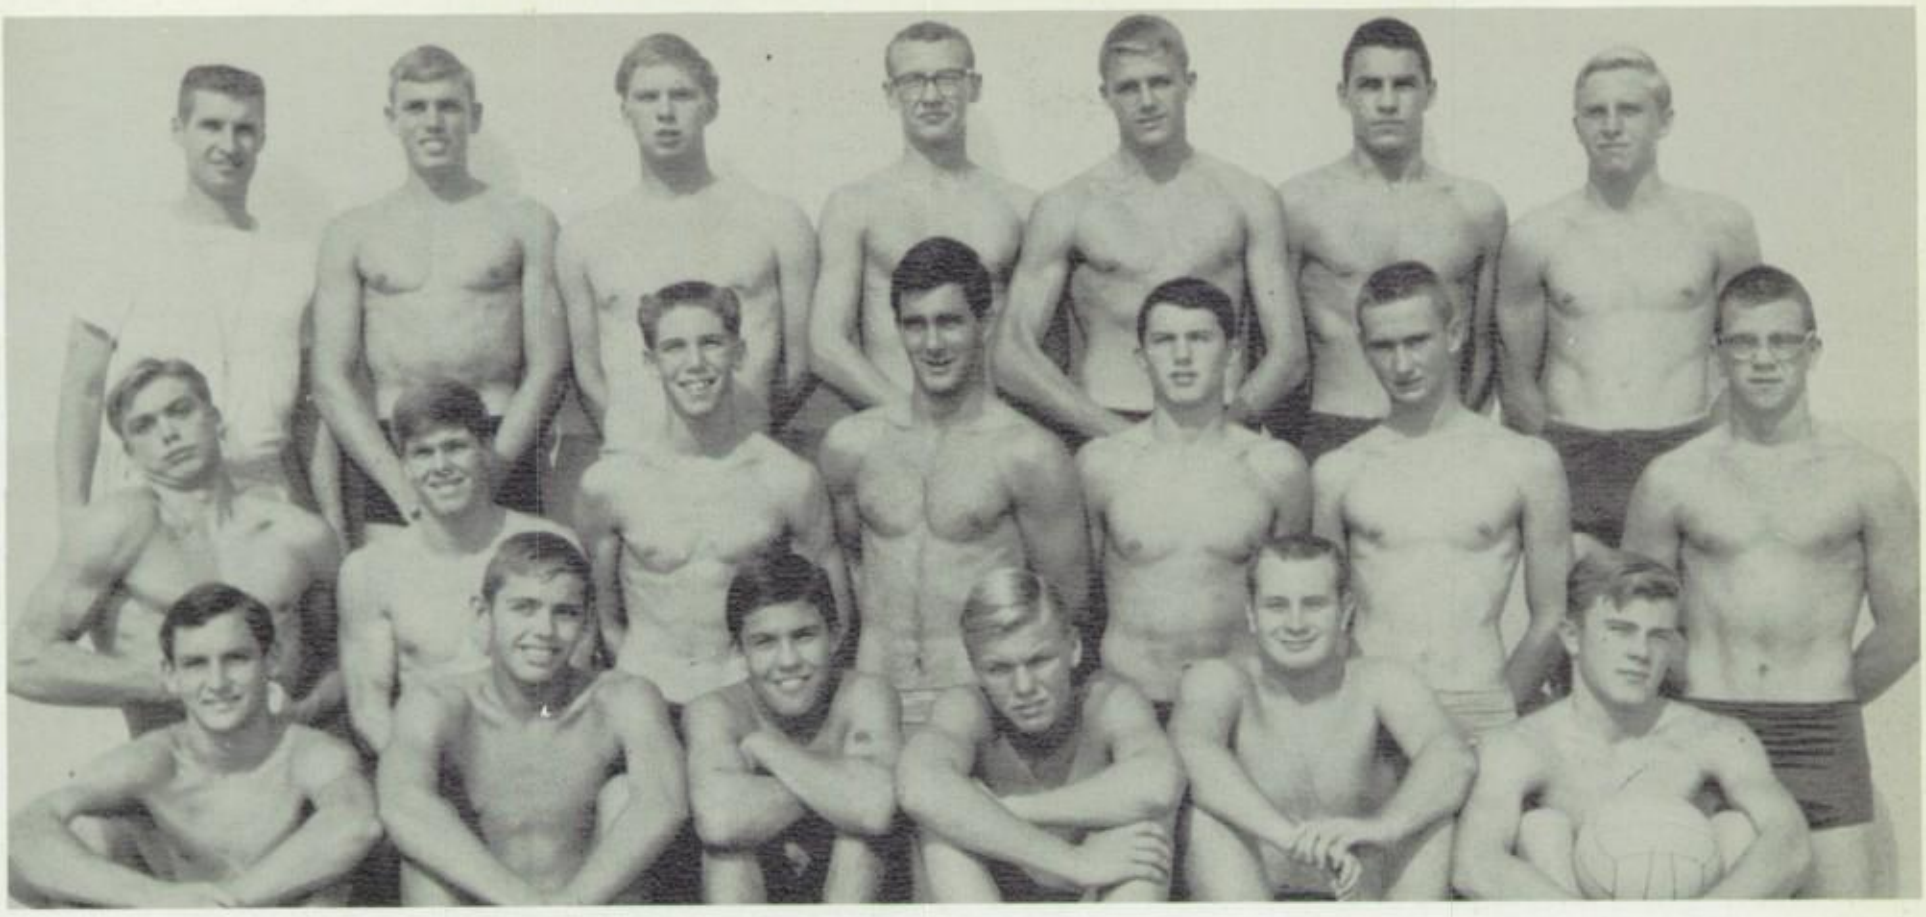
Middle row: Mike Locke, Manual Gonzales, Ben Morales, Dave Bass, Larry LeMay, Jim Johnson, Dave Schilling, Ed Thomas, Jim Ward. Back row: Paul Enriquez, Bruce Jorgenson, Robert Gonzales, Ken Rawlings, Dennis Mihelich, Mark Radulovich, Gary Smith, Corky Bercich, Louie Moreno.

The Titan J.V.'s compiled a season record of six wins and two losses and a tie. The squad came within two extra-points of completing the 1963 season undefeated.



VARSITY WATER POLO



Front row: Jack Harper, Lonnie Melchoir, Butch Donnell, Reid Bowman, Roger Lemay, Paul Rankin. Middle row: Curt Labnow, Tim Motherhead, Tom Runa, Vern Harmon, Miles Johnson, Dan Gow, Pat Wapershall. Coach Reid and Captain Vern Harmon.

Led by All-League forward and Pioneer's most valuable player, Tim Motherhead, the Titan water polo team surged to a very successful season in winning the Valley League Invitational Tournament championship trophy by upsetting top place Buena Park.

Credit must also be given to All-League second team selections Ray Anderson, Dave Carlton, and Jim Dummit for their part in the 1963 season.

The loss of senior regulars Tim Motherhead, Ray Anderson, Tom Runa, Bob Hounsell, and captain Vern Harman will make a large gap in the water polo ranks for 1964, but juniors Carlton, Dummit, Pat Wopershall, Lynn Howell, Lonnie Melchoir and Miles Johnson should form a nucleus for a successful 1964 season.

BEES

Front row, L to R: Steve Peters, Gregg Samp, Steve Walker, Ron Williams, Dale Rankin. Back row: Clyde Kilgore, Terry Garner, Dan Thomas, Bob Bradley, Bob Bjelajac, Phil Keosababian, Mark Givens. (Not shown, Dale Thomsen.)

A Titan takes a shot.

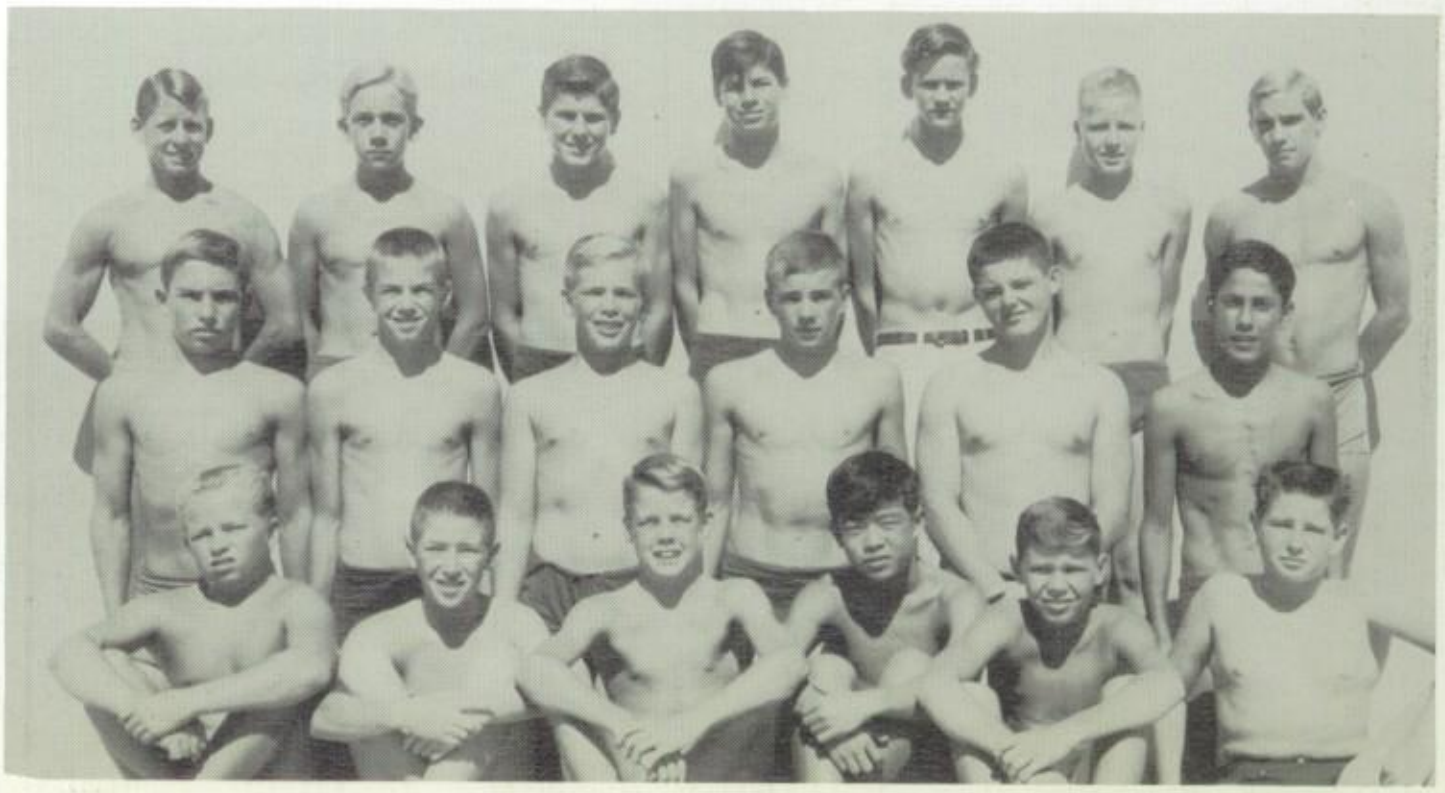
Pioneer's Bee and Cee water poloists had a fine season with the Bee's winning the top spot in the Valley League and the Cee's finishing second.

Senior captain and all-league selection Steve Peters and senior Ernio Kho together were responsible for 39 points to lead the Bee poloists to the championship. The regulars of the Bee team were also very instrumental in the middleweights' success.

Captain Scott Harper and high point man Ken Karakas were both selected as members of the Valley League Cee team and led the Titan Cees to a second place in league play.

The score must be kept.

CEES



Front row, L to R: Jim Gulzow, Ted Lee, Steve Dummit, Kerry Kanemetsn, Frank Sciarelli, Phil Legerwood. Middle row: John White, Bob Nelson, John Lange, Steve Larsen, Mark McQuarter, Fred Dominguez. Back row: Ken Karakas, Jay Truax, Paul Kress, Mike Day, Dean Stockwell, Larry Ehlers, Scott Harper. Not shown: Butch Hickam, Chris Peters.

VARSITY CROSS COUNTRY

Left to right: Marshal Eguri, Frank Dorado, Greg Siegman, John Mathews, Ernie Hernandes, Robert Brown, and Coach Travis.

Coach Travis

The fact that the Titan Varsity was able to win only one meet this season was certainly not due to the lack of trying by either the team or hard-working Coach Travis. A more experienced crew can look forward to a great season next year.

At the start.

At the finish.

J.V.

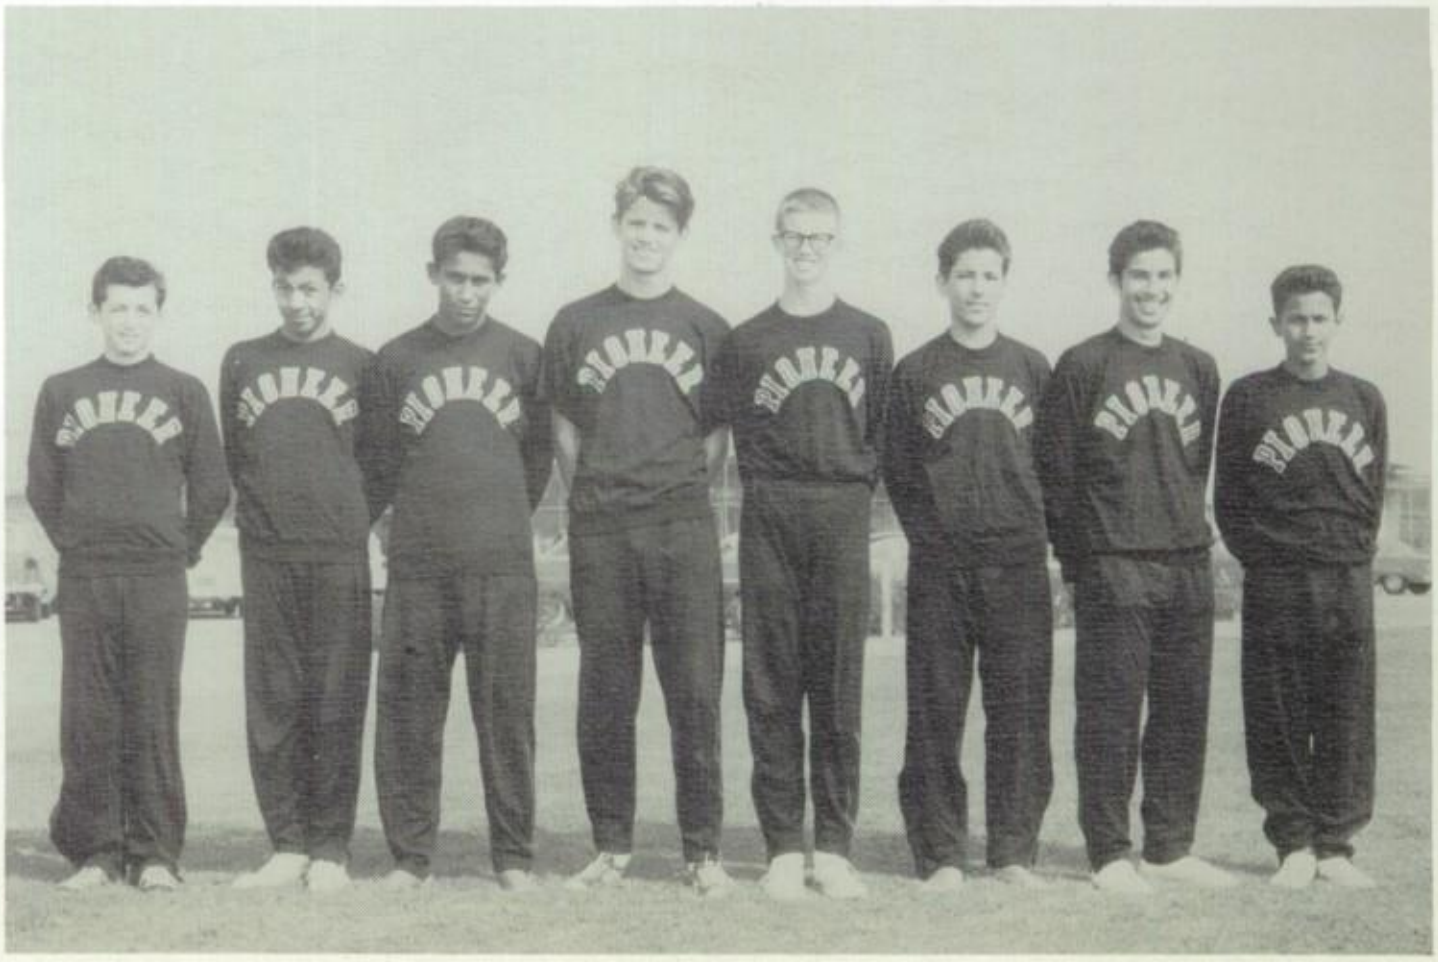
Back row: John DeYoung, Ed Plummer, Dave Kress, John Griffith, Don Perryman, Jerry Pugh, Randall Nichols. Front row: Harold Young, Ron Burns, Paul Verdugo, Neil McVay, Lee Clarke, Pete Zapolowski.

The J. V. team raised Pioneers' hope for a strong team in the future.

Though the team was made up of mostly underclassmen, they won five of their meets.

With this record it looks as if Pioneer will be a big threat next year.

FROSH



Dave Sandoval, Gilbert Alcarer, Issaac Munoz, Jerry Thurston, Pete Hiebert, Charles Martinez, Gilbert Garcia, Armand Galindo.

This year's Frosh team was undefeated in the league.

When they lost to Mayfair in the league finals they ended up in a tie for first place.

Coach Horn's team this year was recognized as the finest in Pioneer's history. Not only did they break twelve school records, but they also provided thrill after thrill for their audience.

Special recognition goes to Ken Haye, who not only broke six school records, but also was selected as Player of the Year in the Suburban League. Ken was also the leading scorer in the league with 21.3 points a game.

Pioneer will long remember the Basketball Team of 63-64.

COACH POLLOCK

Once again coach Pollock has given Pioneer a team to be proud of. The Titans who went to see his team saw great fielding and superb batting.

It will be a long time before the Titans or opposing teams will forget the Varsity Baseball Team of 1964.

SWAN SONG

TO THE CLASS OF 1964:

"Let the word go forth that the Torch has been passed to a new generation."
—President John F. Kennedy

The school year is over and the class of 1964 is leaving the public schools to enter a new world. The world of youth, security, and learning is behind us, and we are facing a competitive world of college, industry, marriage, and paying our own bills. It has been said that graduation is the dividing line between childhood and maturity, and this may well be true.

We have held the Torch of learning in our hands; now the time has come to use it to light our future. We are graduating as the senior class, but in a higher sense, we are a new generation stepping forth to take our place in the world, replacing the generation stepping out.

The time has come to use the skills that thirteen years of public schooling has instilled in us. It is necessary that knowledge be used as our Torch to help light the way to a better world. It has been estimated that of every hundred positions to be created in the future, at least seventy will be filled by our generation. Our Torch will have to light this vast unknown territory.

Hold high the Torch. If we stumble, we must start again, for this is the heritage of man. To stumble is unimportant; it is in rising that we assert our manhood. We must use the light of the past to guide our way to the future. Our prime responsibility is to hand the Torch to the coming generation so that they might see in the future.
